Many people have given me data over the years and I would appreciate any details of the BOYLES Family in Pennslvania you might wish to share. Briefly, Five IRISH BOYLES Brothers entered Baltimore , Maryland harbor from Ireland in 1701. William BOYLES born in Pa. in 1730 moved with his three sons (Wm., John & Hugh) to North Carolina. They settled in what is now Surry & Stokes Counties.

Thirty eight years later, Two other IRISH BOYLES Brothers (William born 1720 Ire. & Charles born 1722 Ire.) arrived in about 1740 in the Virginia Colony. Charles moved west and had a large family in what is today West Virginia.

William born 1720 Ire. settled in southern Virginia and had four sons: Wm. & Charles moved to North Caroina and Joseph & Barnaby moved to Tenneesees.

William BOYLES born about 1740 Va. moved to Rowan County, NC about 1760 and had a son Rev. John BOYLES who married Margaret (born in SC) about 1788 and moved to Rutherford County, NC (which is today Lincoln County) Rev. John
