

Since the records of the Kelly family can be found in the original Kelly Clan book in a smaller copy in 1915 by Annette Kelly, I will only mention some of the things I believe might be of interest to this generation of Kellys.

Thomas Kelly married Peggy Boyles, a singer, in Botetourt county, Virginia. She later became a woman's doctor. They were the parents of 9 children: James, our ancestor was the eldest son of Thomas and Peggy Boyles Kelly. Per the info I have she and her husband &nbsp;are &nbsp;buried in Pulaski County, a mile from Mount Gilead church.
