SlackFaily/Harriet Jaynes

Hi Dave, I'm Carla Casson Ware, Harriet Jaynes and Abraham Slack are my 4x Gr Grandparents. I live in Cleveland, Tennessee, actually not far from where they would've have lived when they were living. I see that you have some "private photos", would you be willing to share these with me? My relationship comes in on the Slack side. My great grandmother was a Coe, her mother was a Slack, etc. I am very interested in anything you would or could share with me, for our family tree? I would love to know why Harriet left to see her brother, and decided to NOT come back for her sons in TN, and remarry and have more children, the articles I have read, it portrays her as a nonchalant person, I really don't think thats the case. Maybe she got up North and couldn't get back South? Funny how our minds wander and think about this. I love finding out about our heritage and the people, and what made them "tick"!I have found, their lives very interesting, to say the least. Have a Happy and Prosperous New Year! Carla C Ware
