History of Hancock County, History of Marion Township.

"Mr. Jaqua is still a resident of the township; he was born in Lower Canada, in 1813, his father, Richard, being a Frenchman, and his mother, Elizabeth, a Canadian. The family came to Seneca County, Ohio, in 1820, and in 1833 Ambrose became a resident of this township. In March, 1836, he married Leticia Egbert, daughter of David Egbert, and settled permanently on a piece of land in Section 25, entered in October, 1835, where he has ever since resided. Of their nine children, seven are yet living."
